#### A Worthy Appointment. The following letter was received yesterday

Mr. J. E. Brady, of this city, the tather of the young man mentioned therein : idendent News And may, Annapolis, Mt.

This is the appointment of a young man or upon the metropolis.

The news of very mysterious and suspicious Leavenworthjyesterday/morning was report-A betated gentleman on his way home no theed the gang, and thinking that something was wrong, quietly watched their actions. Two of the party seemed to act as sentinels while the remainder did the work. The three

were observed to approach [a house in that neighborhood and endeavor to open the wip. dows by prying with a long keen butcher knife, but it resisted their efforts. The party then went to the residence of Franklin then went to the residence of Franklin Smith, but as a dim light was glimmering through the closed blinds, on account of the sickness of a lady there, the burgiariously inclined criminas wisely declined to disturb the inmates. They then approached the house of John Craig, and rang the bell, but received no reply. They then tried to gain an entrance, but failed, and soon left the vicinity altogether. They were seen near there about two o'clock in the morning.

The whole affair was certainly a very suspicious proceeding, if the gentleman was octions proceeding. If the gentleman wood one of undoubte: veracity, the account might be stamped as a canard, at once. The

Rong, September 4,-The Italia-Irendenta question is causing renewed attention because of a recent pumphlet issued b Col. Humesli, a brother of Count Andrassy and probable successor as Austrian-Hur garian Premier. The feeling is fomented by unscrupulous men actuated by the lust o conquest and that hatred of Austria en couraged in Italia because it is thought province could be more easily filched from Austria than any other power. The Liberta, a conservative organ, and therefore having more moderate views on foreign polltics than newspapers of the Left, referring to the pamphlet says:

"Austria cannot expect that Italia should declare Italian provinces still under Austrian sway to belong to Austria by full right, and shall continue to do so indefinitely. On the other hand, Italia cannot claim that Austria should, merely to please Miss Ifred Feb. 1, 1879; that the loth of claim that Austria should, merely to please her, restore her valuable provinces.
